

SAS® OnDemand for Academics: Enterprise Guide

Student Registration Instructions

1. Visit the following Web site to begin:
<http://support.sas.com/ctx3/sodareg/index.html>
2. Enter your e-mail address and SAS Profile password in the appropriate boxes. If you do not have a SAS Profile or have forgotten your SAS Profile credentials, continue with this section. Otherwise, continue to Step 3.

The screenshot shows the SAS OnDemand for Academics Control Center registration page. At the top left is the SAS logo with the tagline "THE POWER TO KNOW." At the top right is the text "SAS® OnDemand for Academics Control Center". Below the logo is a blue header with "SAS® OnDemand for Academics" and "Access the power of SAS software through the Internet." A central white box contains the following text: "The SAS® Control Center uses the same userid and password as the SAS Profile. If you are a new user, [create a SAS Profile](#) to get started. If you are an existing user, please enter your e-mail address and SAS Profile password below." Below this text are two input fields: "E-mail address:" and "Password:". Below the password field is a blue "Enter" button. At the bottom of the white box are two links: "New User?" and "Forgot Your Password?". At the very bottom of the page is a footer with the text: "Contact Us | Server Status | Terms of Use & Legal Information | Privacy Statement Copyright © 2011 SAS Institute Inc. All Rights Reserved. | Release 3.6.11_2011.08.24a".

- If you do not have a SAS Profile associated with your e-mail address, select the **Create a SAS Profile** or **New User?** link.
- If you do have a SAS Profile, enter your SAS Profile Password or select **Forgot Your Password?**

The screenshot shows the SAS OnDemand for Academics Control Center login page. At the top left is the SAS logo with the tagline 'THE POWER TO KNOW.'. At the top right, it says 'SAS® OnDemand for Academics Control Center'. Below the header, there is a blue bar with 'SAS® OnDemand for Academics' and 'Access the power of SAS software through the Internet.' Below this, a grey box contains instructions: 'The SAS® Control Center uses the same userid and password as the SAS Profile. If you are a new user, [create a SAS Profile](#) to get started. If you are an existing user, please enter your e-mail address and SAS Profile password below.' There are two input fields: 'E-mail address:' and 'Password:'. Below the password field is a blue 'Enter' button. At the bottom of the form area, there are two links: '[New User?](#)' and '[Forgot Your Password?](#)'. At the very bottom of the page, there is a footer with links: 'Contact Us | Server Status | Terms of Use & Legal Information | Privacy Statement' and copyright information: 'Copyright © 2011 SAS Institute Inc. All Rights Reserved. | Release 3.6.11_2011.08.24a'.

- Enter your information in the required fields to create or update your SAS Profile.

SAS OnDemand for Academics: Enterprise Guide Version 6.1
 (Release 6.1 - JUL 2013)
System Dependencies

SAS OnDemand for Academics: Enterprise Guide Version 6.1 Download Packages

The SAS OnDemand for Academics: Enterprise Guide 6.1 download package is available below. Download the setup file for your language choice, and follow the instructions to install the client on your machine. Please review the installation notes below for download speeds that might impact your operating system.

SAS OnDemand for Academics: Enterprise Guide Version 6.1				
Platforms	File Name	Size	Release Date	
Windows	eguideoda_signed.exe	192 MB	2013-07	Request Download

Note: Windows platforms supported include Windows 7 and Windows 8 (64 bit only).

Installation Notes:

Microsoft .NET Framework 4.0 or 4.5 is required. If your computer already has the required files, the installation process will usually take approximately 2-5 minutes. Note that Microsoft Windows 8 includes the required files, but Microsoft Windows 7 does not.

If your computer does not have the required files, then you will be prompted to install them. To download the necessary files, visit the following site and then download and install either Microsoft .NET Framework 4.0 or 4.5: <http://www.microsoft.com/net>

New User?

Certain areas of sas.com require you to have a SAS profile. Please click the button below to create your profile and take full advantage of our site.

Create Profile

Why Register?

Because your SAS profile enables you to:

- Subscribe to award-winning sas.com magazine and a wide variety of SAS e-newsletters.
- Access SAS white papers and Webcasts.
- Save time when logging in since your profile will pre-fill some forms on sas.com
- Stay informed about SAS publications, training and events.
- Access Self-Paced e-Learning.
- View Technical Support tracks.

17. Click **Download** and then save the .exe file to a location on your computer.

The screenshot shows the SAS support website interface. At the top, there is a navigation bar with links for 'support.sas.com', 'Knowledge Base', 'Support', 'Training & Bookstore', 'Happenings', and 'Support Communities'. Below this is a sub-header 'SUPPORT / DOWNLOADS & HOT FIXES' with 'Print' and 'Feedback' icons. A breadcrumb trail reads 'SAS OnDemand for Academics: Enterprise Guide Version 6.1 ... System Dependencies > License Agreement > Download Page'. The main heading is 'Download Area for SAS OnDemand for Academics: Enterprise Guide Version 6.1 for Windows'. It includes two numbered instructions: 1. Click on the download button in the following table to download the desired file. 2. Create a subdirectory in your root or home directory. Double-click on the self-extracting file, eguideoda_signed.exe, to install the files. A table with columns 'Description', 'File Name', 'Release Date', 'Size', and 'Download' contains one row for 'SAS OnDemand for Academics: Enterprise Guide Version 6.1' with file name 'eguideoda_signed.exe', release date '2013-07', and size '192 MB'. A 'Download' button is present in the last column. At the bottom, there is a footer with contact information and a copyright notice for 2013 SAS Institute Inc.

Return to Main Page Report Software Downloads Problems

SAS OnDemand for Academics: Enterprise Guide Version 6.1 ... System Dependencies > License Agreement > **Download Page**

Download Area for SAS OnDemand for Academics: Enterprise Guide Version 6.1 for Windows

- Click on the download button in the following table to download the desired file.
- Create a subdirectory in your root or home directory. Double-click on the self-extracting file, eguideoda_signed.exe, to install the files.

18. Locate the .exe file on your computer and then double-click the file to start the installation process.

You might be prompted to install supporting files or applications during the installation process, which could lengthen the installation time.

- After installation is complete, you can start SAS® Enterprise Guide.
 1. Connect to the Internet.
 2. From your desktop, double-click on the SAS Enterprise Guide icon.
 3. In the **User** field of the Credentials Required window, enter your SAS Server userid (see Step 10).
 4. In the **Password** field, enter your SAS Profile password.
