BS in Mathematics / Economics Concentration
Sample Schedule

This is a sample schedule and it is intended to demonstrate the feasibility of completing the B.S. in mathematics, by a part-time student in five or six years. Upper division mathematics courses are listed in the quarters in which they are offered. In the case of math electives, the students must consult the catalog (or the mathematics department) for restrictions/allowable choices.

Six Year Plan - Economics Concentration			
	Fall	Winter	Spring
Year 1	Math 191** GE: A1 Math 281* CSUB 101	Math 192** GE: A2 Math 281*	Math 201 CS 221 Math 281*
Year 2	Math 202 Math 222 Math 281*	Math 203 Math 281* US Hist.	Math 204 Math 281* GE: A3
Year 3	Math 140 GE: C	Math 205 GE: C	GE: B1 GE: C
Year 4	GE: B 2/3 Math 300	Math 340 GE: D Econ 201	Econ 202 GE: D PlSi 101[1]
Year 5	Math 330 Econ 301	Math 331 Econ 302	Math 440 Econ 420
Year 6	Math 363 Theme 2	GWAR Theme 3	Math 490 GE: GRE

Total: 170-191 units.

*Recommended but not required.
** If needed.
[1] Satisfies GE D and US Government requirements.
