

**Spring 2024 Tuition Fee Payment Plan Terms and Provision**

The CSU makes every effort to keep student costs to a minimum. Fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU must reserve the right, even after fees are initially charged or initial fee payments are made, to increase or modify any listed fees. All listed fees, other than mandatory system wide fees, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU listed fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees, the Chancellor, or the Presidents, as appropriate. Changes in mandatory system wide fees will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code).

California State University, Bakersfield has instituted a Tuition Fee Payment Plan with guidelines issued by the CSU Chancellor’s Office. This optional plan enables students who are not receiving sufficient aid such as grant, loan, scholarship or waiver, to defer a portion of their tuition fee (course, professional program, and all other fees are not deferrable) if the situation permits. *Payment plans are not available for students with balances less than \$1,000.*
