Introduction

This guide outlines the recruitment process for staff and MPP positions.

What you will do (typically the Administrative Support on behalf of a hiring manager)

- Create a job requisition
 - Open New Job
 - Complete a Requisition Information form
 - Start the requisition approval process
- Email your designated recruiter to finalize your agreed-upon applicant pool.
- Schedule interviews.
- Transition applicants to the appropriate application status in CHRS.
- Transition selected candidates to appropriate application status in CHRS.

Prerequisites and Assumptions

- Your user’s role must have permission to create new jobs. If you cannot access **New Jobs** in the Main Menu, then you might not have permission to create a job. Please contact your designated Employment Specialist for support.
- You must know the position number of the job you need to create.
- Have an HR approved Position Description.
- Have an approved [Position Control Action Request \(PCAR\) form](#), if needed. (See guide below for details. For additional information, see [PCAR Form Instructions](#).)
- MPP – [include MPP Justification Form](#)

Requisites and Assumptions

*Replacement Position (No Changes) – minimal updates

Example: Jose Smith (employee) has retired, Full-Time, 12 months. His duties and responsibilities have not changed but needs to have the date and section 7 (Supervision) updated, since the supervisor has changed. Make those changes and email the updated PD to your Employment Specialist for HR Approval Stamp.

Please highlight any updates or changes.

Jose's Position Number was #00001234. Use this position number, since nothing about the position has changed. Make sure to include the position number on page 1 of Position Description.

NOTE: When emailing your Employment Specialist, a position description with little or no changes, include an appropriate Subject Line: **"Replacement PD – HR Approval Needed"**.

** Replacement Position (with changes)

Example: Janai Jones (employee, Position Number #00001122) is separating from CSUB. She was an Administrative Analyst/Specialist Exempt I (AA/S ex. I). The Dean has decided that he does not need the Analyst duties performed any longer. He has revised the duties and responsibilities. Additionally, he wants this position to be 30 hours per week.

Email the PD with the current date to a Class/Comp Analyst for review and HR Approval Stamp. **Please highlight any updates or changes.**

This position has been changed substantially and needs to be reviewed by the Classification/Compensation Analyst to determine the appropriate classification. The Class/Comp Analyst has determined that the duties are consistent with the ASC II classification and has included that on the PD form. It is returned with the HR Approval Stamp. Now that you know the classification, you need to complete the PCAR form. You are changing a FT AA/S Ex I position to a .75 (30 hr./wk.) ASC II position. Route the PCAR in Adobe Sign for approvals. Position Control Team will create a new Position Number and indicate this on the PCAR form. Update your PD with the new position number.

NOTE: When emailing Class/Comp Analyst a New Position, include an appropriate Subject Line: **"New PD – HR Approval Needed"**.

*** New Position – (No PD exists)

Example: Your Director was told by her Vice President that she can recruit for a full-time position to handle community outreach and social media campaigns. The Director writes a Position Description outlining the duties and responsibilities and sends it to the Class/Comp Analyst for review and any needed changes. The Class/Comp Analyst shares that the position duties are consistent with the Public Affairs/Communications Specialist II classification.

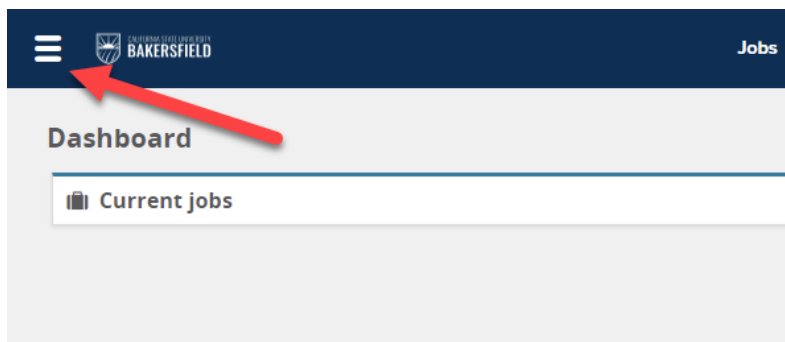

The Position Description is finalized and stamped with HR Approval and returned to you. Complete and send the PCAR form through Adobe Sign for approvals. Position Control will create the position of PA/CS II, full-time and assign a Position Number, which will be included on the PCAR form when it is returned to you. Update your PD with the new position number.

NOTE: When emailing Class/Comp Analyst a PD with substantial changes, include an appropriate Subject Line: **“Revised PD – HR Approval Needed”**.

Step 2. Interviewing Applicants

The following steps will outline how to schedule interviews, transition applicants, and download documents.

Review Applicants and Determine Applicant Pool

Following the HR Initial Review, you (administrative support and designated search chair) will receive an email notification and be able to view applications. The notification will include on-campus applicants that **must** be interviewed based on bargaining unit contracts. Applicants have been pre-screened by HR based on minimum qualifications. They will be designated as “Qualified” or “Not-Qualified”. Search Chair may select the preferred applicant pool from the Qualified (**This must include any required on-campus applicants**). Search committee is not allowed to interview any applicant designated as Not-Qualified without consultation/approval from Employment Specialist.

1. Click the link in the email to log into CHRS Recruiting Portal:
<https://calstate.dc4.pageuppeople.com/dashboard>
2. Click on the **Jobs requiring panel review** link on the dashboard. Depending on your permission, you will have one of two views below.

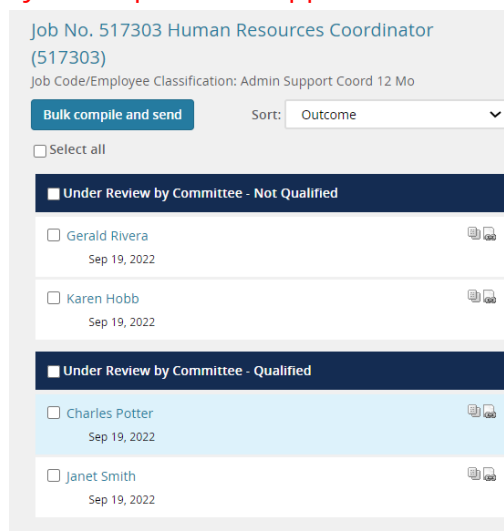

- Click **View Applicants** on the line of the applicable job. The **View Applicants** page opens.

Alternative: The view below will also allow you to see the applicant list. Click on the .

6. Once you have determined your qualified candidate pool in coordination with your Employment Specialist, proceed with scheduling interviews. As is always required, all candidates should be provided with similar interview experiences. If a committee elects to conduct in-person interviews, all candidates should be invited to in-person interviews unless an accommodation is requested.

Change applicant's status as they go through the interview process

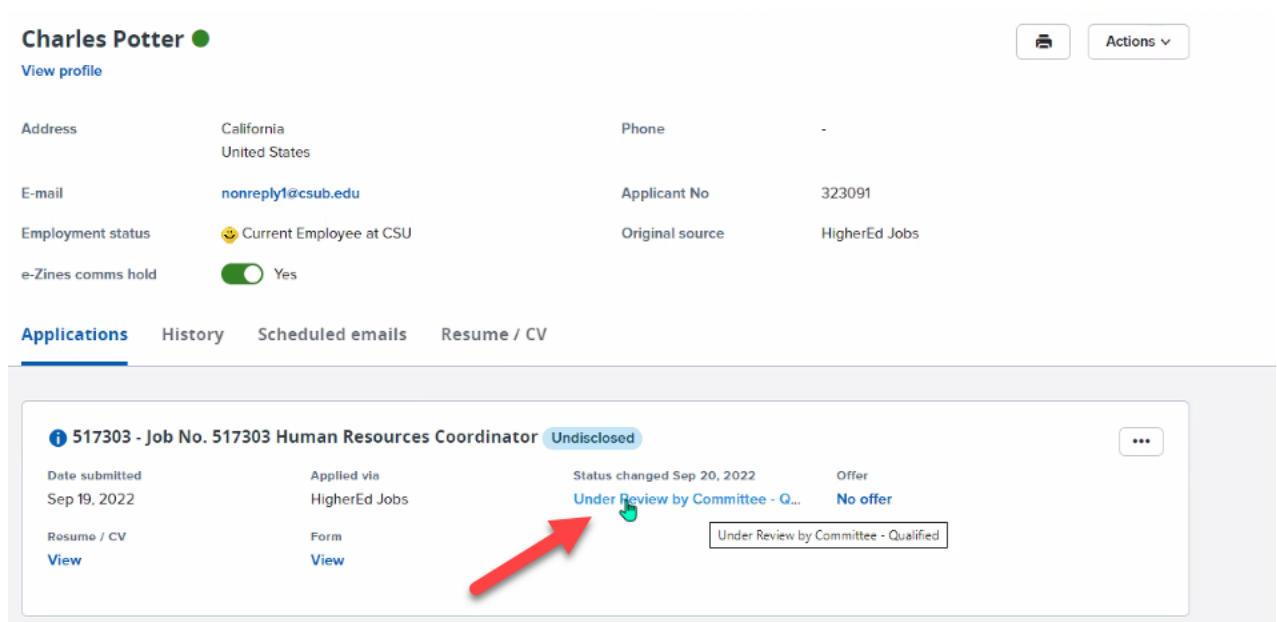

1. Once you have scheduled the interviews, you will move the applicants to a new application status of "1st Interview Invite". Interview questions guide and samples:

<https://maindata.csub.edu/media/50646/download?inline>

- Click on the box next to the name of the applicant(s) who you have invited for an interview and want to update their status. Then click **Bulk Move** or **Select Bulk Action** to move all invited applicants at once.

Alternative: You can click on the name to open the application and then click on the status (see below).

Select the appropriate status to update and click **Next**.

The screenshot shows a window titled "Change application status". It contains a scrollable list of application statuses. The first option, "Under Review by Committee - Qualified", is highlighted. Other options include "Under Review by Committee - Not Qualified", "Not Interviewed, Not Hired - Email Now", "1st Interview Invite", "2nd Interview Invite", "Interview Invite Declined - Email Now", "Interviewed, Not Hired - Email Now", "Recommend for Hire - Initiate Referencing", "Referenced Not Selected - Email Now", "Reference Check Unsuccessful - Email Now", and "References Successful - Initiate hire". At the bottom of the window are three buttons: "Submit", "Next >" (highlighted in blue), and "Cancel".

Note: When moving any applicant to a status that says, **“Email now”**, a window will open – do not make any changes to the email. Scroll down to the bottom and select a “reason” from the drop-down menu. Then click on **Move Now**.

The screenshot shows a window titled "Confirm status change". It contains a message: "No SMS will be sent to the applicant as they do not wish to receive them." Below this is a section for "Additional users from job:" with radio buttons for "Yes" and "No". The main section is titled "Not Interviewed, Not Hired - Email Now reason" and asks the user to "Please indicate the reason for selecting the not interviewed, not hired - email now status:*". A dropdown menu is open, showing a list of reasons: "Select", "Accepted another offer", "Background check requirements not met", "Benefits unsatisfactory", "Continuing study", "Cost of housing", "Does not meet minimum qualifications", "Falsified application", "Ineligible", "Insufficient pool", "Lack of employment for spouse", "Level of experience", "No show / Did not respond", "Other", "Other candidates more suitable", "Personal reasons", "Position cancelled", "Position filled", "Research / Prof development opportunities limited", and "Salary unsatisfactory". A red arrow points to the dropdown menu. At the bottom right of the window is a "Close" button.

3. For applicants who have declined, are not returning calls, or multiple attempts to reach them, please click on the applicant's name, then "Status", and select "Interview Invite Declined – Email now".
4. As soon as you know that an applicant will not be moving forward in the recruitment, you should change their application status, so they receive timely notification.

PLEASE NOTE – Keep your second and possibly your third ranked applicant in their current status in case the top candidate is not hired (declined offer or doesn't pass background).

5. Selected candidate – move applicant status to:
 - Recommend for Hire – Initiate Referencing

Step 3. Reference Checks

1. Utilize the Telephone Reference Check Form found here:

<https://maindata.csub.edu/media/12751/download?attachment>

2. Complete 3 professional references and upload in the Documents tab in CHRS.
 - Select **Documents** tab
 - Select Upload file. Leave the document category as **Recruitment Documents**.
 - You will need to upload documents (Preferably all references combined). Put in the title as: References.
3. Follow the same to upload the following:
 - Rating forms
 - Notes (from Committee)
 - Justification for off-campus (if applicable).
4. If the references are positive, on the "Applicants" screen, find your selected applicant and click on the current status. Update the status to "References Successful – initiate hire". Do not change anything, simply click **Move now**. The Employment Specialist will automatically receive an email.

Staff and MPP Recruiting Process

5. If references are not positive, and the hiring manager will not be moving forward with the candidate, you may select "Reference Check Unsuccessful – Email Now". Candidate will be emailed.

6. If you have referenced more than one applicant (e.g., your top two), and both had good references, but you are moving forward with one candidate; you may move the candidate not selected to "Referenced, Not Selected – Email Now".

At this point, your Employment Specialist will check the recruitment to ensure that all the following have been attached and completed correctly:

- 3 references
- Rating Sheets
- Committee notes
- Justification for off-campus (if applicable).

If all documents are present and there are no questions or follow-up required, Human Resources will begin the contingent offer stage.
